

changing your life

Thank you for becoming a Melaleuca customer and joining our Melaleuca family! You have made a great decision to shop at our online store.

I will be your 'shopping coach' so I will follow up with you for the next few months to help guide you and answer questions. To make sure you get the most out of your membership, I want to encourage you to

- * Watch your Learn To Earn Videos. Melaleuca will give you \$100 in FREE products as a Thank You for letting us educate you about our products and services.
- * Friend me on FB. We have a private FB page for Melaleuca customers and it's a great way to learn additional product tips or ask questions.
- * Check out the New Customer Savings Packs located under the "Extra Savings" Tab. There are 7 packs with bigger discounts but they are only offered for 2 months. The Value Pack is my personal favorite and most of my customers get it. It's like Christmas in a Box!
- * Feel free to call Melaleuca directly. They have the best customer service! 1-800-282-3000.
- * As you find yourself running low on products in the pantry, laundry room, bathrooms, etc., make a list so I can help you find the Melaleuca alternative so we can save you money!

Our goal is to help you convert your home over to safer, more affordable products over the next few months. I look forward to helping you along the way!

"You only live once, but if you do it right, once is enough."
